

PRESS RELEASE

19 October 2017

Strata Partners advises on the sale of Crawford Scientific

Strata Partners is pleased to announce that it has acted as exclusive corporate finance adviser to Sam Crawford and Maven Capital Partners on the sale of Crawford Scientific, a leading provider of chromatography solutions and technically demanding analytical services, to Limerston Capital Partners.

The sale, Strata's 4th successful laboratory sector transaction this year, followed a focused competitive process and reinforced Strata's commanding position in the specialist laboratory testing, services and solutions space.

Commenting, Sam Crawford, Crawford Scientific's Founder and Managing Director, noted: "Strata provided exceptional insight, advice and support throughout the sale process. Their sector understanding and relationships helped us find a great home for the next stage of our development, while their hard work and tenacity delivered a timely completion that our shareholders are delighted with".

About Strata Partners

Founded in 2002, Strata Partners is an independent corporate finance partnership headquartered in London that provides buy side and sell side, mergers & acquisitions advice and capital raising services to technology and science-enabled businesses across the globe.
