

PRESS RELEASE08th November 2023

Strata Partners advises Macquarie Capital Principal Finance on its acquisition of Camin Cargo Control Holdings, Inc.

Strata Partners is delighted to announce our latest TIC sector transaction, advising Macquarie Capital Principal Finance (Macquarie Capital) on its acquisition of Camin Cargo Control Holdings, Inc. (Camin Cargo), a global provider of independent testing, inspection and certification services to the energy industry.

Founded in 1982, Camin Cargo has 64 laboratory and inspection branches across 19 countries in the Americas and Europe. The company provides essential testing and inspection services of liquid fuels to ensure products meet commercial and regulatory requirements, as well as remedial fuel treatment services. These services are vital in maintaining fuel quality and controlling emissions, and increasingly support customers developing and introducing renewable fuels.

Commenting on this transaction, Mark Sargeant, Partner at Strata Partners, said: *"We were delighted to assist Macquarie Capital with this deal and see a compelling opportunity to accelerate Camin's growth both organically and via acquisition, leveraging Macquarie Capital's TIC and commodities sector expertise and its global network and resources."*

About Camin Cargo Control

Headquartered in Pasadena, Texas, Camin Cargo is a leading third-party service provider of critical inspection, testing and fuel treatment services to global energy companies and trading houses. Camin Cargo operates 64 branches across 19 countries which are strategically located to serve multiple key ports, refineries, and other product transfer points throughout the United States, Canada, Latin America and Western Europe.

About Strata Partners
